During National NeighborWorks® Week, CAP and other NeighborWorks® organizations across the country will mobilize tens of thousands of business people, residents and government officials in a week of neighborhood change and awareness.

CAP is part of the national NeighborWorks® network, an affiliation of more than 230 nonprofit organizations that increase homeownership, produce affordable housing and revitalize neighborhoods in more than 4,400 communities across the nation. In 2010, the NeighborWorks® network is projected to generate more than \$3.96 billion in total direct investment and help more than 272,474 low- to moderate-income families purchase, improve and maintain their homes. The NeighborWorks® network was founded and is supported by NeighborWorks® America, which strengthens the network through training, technical assistance and funding.
