## Volunteers Needed for Community Action Project's 2010 Tax Season

Community Action Project of Tulsa County is looking for dedicated volunteers for its 2010 tax season (January to April 15). CAP provides free tax preparation assistance to Tulsa families and individuals who are eligible for the Earned Income Tax Credit (EITC). To be eligible for free tax preparation, families must have made less than \$50,000, and individuals, less than \$40,000. Due to the state of the economy, CAP anticipates its 2010 tax season will be the largest to date.

CAP provides free training for tax preparation volunteers using I.R.S. materials and the TaxWise software. Training is now available day, evening and weekend hours. CAP's program is part of the I.R.S. Volunteer Income Tax Assistance (VITA) Program and completion of the training gives the volunteer certification by the I.R.S.

Spanish-speaking volunteers are strongly encouraged to participate for CAP's bilingual site.

The goal of CAP's tax program is to decrease poverty and to expand economic independence in Tulsa by increasing the participation rate and use of the EITC by eligible low- and moderate-income working people. The EITC is worth up to \$5,657 for families with three or more children, up to \$5,028 for families with two or more children, and up to \$3,043 for families with one child.

CAP's EITC program is one of the largest of its kind in the country and is a model that has been replicated in more than 25 cities throughout the U.S. During CAP's 2009 tax season, 121 IRS-certified volunteer preparers helped return almost \$30 million to more than 17,000 clients, saving them nearly \$3 million in tax preparation fees.

**If you are interested in volunteering for the 2010 tax season, contact Pam Smith, EITC Manager, at [psmith@captc.org](mailto:psmith@captc.org) or call 918-382-3225.**
